IN APPRECIATION

This is the end of your High School days at old F. H. S. Seniors. I hope you will cherish this Yearbook as a treasure of fond memories.

I would like to extend my sincere appreciation to Mr. Kious, our advisor, for his understanding and guidance throughout the year--to Mr. Pettygrove, our photographer, who did a great job this year on the pictures in the preceding pages--to the Taylor Publishing Company, for giving us suggestions on our layouts and designs--and finally but not least, to Mr. Chatburn and Faculty, for their kind and generous cooperation especially during picture taking time.

We the 1968 Wildcat Staff have put together a book that we hope you will enjoy for the rest of your life.
